Sir,

With reference to letter No L 1848 dated 25-8-1948 from the Secretary to Government, Revenue Department stating that Government feel that the site adjoining the circle in Jayanagar Extension, would be more suitable and that further expansion if and when becomes necessary may be made towards the site now granted to the Hindi Prachar Samiti, as per G O No.L.1389-92/Ml 108 -48-2 dated 11th August 1948 and that a report to Government in this matter may be made in consultation with the President of the Samithi etc , I have the honour to state that this question was placed before the Board for consideration at their meeting held on 16-11-1948. After considering the question in detail and after examining the sketch prepared by the Engineer Officer showing the area now granted to the institution and that indicated by Government, in the above letter, the members felt that the land already granted by the Board was a very extensive area and that since the Board had after earnest consideration of all points of view, come to the conclusion to grant the particular area and extent of land as already sanctioned by Government it was not desirable to change the area

All the members agreeing with the above view, it was resolved -

"That the land already granted by the Board being extensive and the Board having granted it after consideration of all details Government, be requested to allow the resolution to stand and an agreement be taken from the party in this respect as contemplated in the Order sanctioning the grant "

I accordingly request that sanction of Government may

may kindly be obtained to the resolution of the Board. On receipt of orders, necessary agreement will be obtaihed from the Hindi Prachar Samithi authorities in this behalf.
